

A more or less complete publications list - update Jan 1999.

MultiMed – remote interactive medical simulation (in press). M A Tooley, F C Forrest, **D R Mantripp**, International Journal of Telemedicine and Telecare.

Radar Altimetry, **D.R.Mantripp** (1996) in "The Determination of Geophysical Parameters From Space", ed. N.E. Fancy, I.D. Gardiner and R.A. Vaughan, Institute of Physics Publishing. (pp119 - 170)

Subglacial and Seabed Topography, Ice Thickness and Water Column Thickness in the Vicinity of Filchner-Ronne-Schelfeis, Antarctica. D.G. Vaughan, J. Sievers, C.S.M. Doake, H. Hinze, D.R. Mantripp, V.S. Pozdeev, H. Sandhager, H.W. Schenke, A. Solheim & F. Thyssen (1996). Polarforschung 64(2): 75-88.

D.R. Mantripp, J Sievers, H Bennat, C.S.M. Doake, K Heidland, J Idhe, M Jonas, B Reidel, AV Robinson, R. Scharroo, H.W. Shenke, U Shirmer, F Stefani, D.G. Vaughan and D. J. Wingham, 1996. Topographic map (satellite image map), Filchner-Ronne-Shelfeis (2nd Edition). Map at 1 : 2 000 000 Published by Institut für Angewandte Geod.,sie, Frankfurt am Main, Germany.

Vaughan, D.G., J. Sievers, C.S.M. Doake, H. Hinze, **D.R. Mantripp**, V.S. Pozdeev, H.Sandh.,ger, H.W. Schenke, A. Solheim and F. Thyssen, (1994, Published 1996). Thematic maps of Filchner-Ronne-Schelfeis, Antarctica: subglacial and seabed topography, ice thickness and water column thickness. Polarforschung.

Vaughan, D.G. and **D.R. Mantripp**, 1994. Chapter 9. Glaciology. In: Geological map of Adelaide Island to Foynt Coast. BAS GEOMAP Series, Sheet 3. supplementary text. Ed: Thomson, J.W. British Antarctic Survey, Cambridge, UK. 46-49.

An assessment of a demonstration project to supply near real time sea ice information to end users C Blackford, S Howes, A Whitelaw, S Laxon, **D Mantripp**. Proc European Symp Satellite Remote Sensing, CNR, Rome, 1994

Sievers, J., C.S.M. Doake, J. Idhe, **D.R. Mantripp**, V.S. Pozdeev, B. Ritter, H.W. Schenke, F. Thyssen and D.G. Vaughan, 1995. Validating and improving topographic-glaciological data of Filchner-Ronne-Shelfeis, Antarctica, with results from ERS-1. Annals of Glaciology 20. 347-352.

Sievers, J., D.G. Vaughan, A. Bombosch, C.S.M. Doake, **D.R. Mantripp**, V.S. Pozdeev, B. Ritter, H. Sandh.,ger, C. Swithinbank and F. Thyssen, 1993. Topographic map of Filchner-Ronne-Shelfeis (with contours). Map at 1 : 2 000 000 Published by Institut für Angewandte Geod.,sie, Frankfurt am Main, Germany.

Doake, C.S.M., Vaughan, D.G., **Mantripp, D.R**, Sievers, J., and Thyssen, F., 1993. Preliminary evaluation of ERS-1 altimetry over Filchner Ronne Ice Shelf, Antarctica. In Proceedings of the first ERS-1 symposium; Space at the service of our environment. Published by European Space Agency Publications Division, Paris. ESA SP -359.

Vaughan, D.G., **D.R. Mantripp**, J Sievers and C.S.M. Doake, 1993. A synthesis of remote sensing data over Wilkins Ice Shelf, Antarctica. Annals of Glaciology, 17, 211-218.

Sievers, J., D.G. Vaughan, A. Bombosch, C.S.M. Doake, **D.R. Mantripp**, V.S. Pozdeev, B. Ritter, H. Sandh.,ger, C. Swithinbank and F. Thyssen, 1992. Satellite Image map of Filchner-Ronne-Shelfeis (with contours). Map at 1 : 2 000 000 Published by Institut für Angewandte Geod.,sie, Frankfurt am Main, Germany.

Analysis of ERS-1 Altimeter Data over Polar Ice Sheets. C G Rapley, J L Bamber, J G Morley, J K Ridley, S W Laxon, **D R Mantripp**, J A D Mansley and D J Wingham. First ERS-1 Symposium: Space at the service of the environment. Cannes, ESA, 1992

Validating the UK-PAF Land Ice Product surface elevation. **Mantripp, D. R.** and Ridley, J.K.. First ERS-1 Symposium: Space at the service of the Environment. Cannes, ESA, 1992

Antarctic Map from the Geosat Geodetic Mission. **Mantripp, D. R.**, Ridley, J.K. and Rapley, C.G. Eos Trans. **73** (51), 545 & 549-550, 1992.

Vaughan, D.G., C.S.M. Doake and **D.R. Mantripp**, 1991. Thematic maps of Filchner-Ronne Ice Shelf. Filchner-Ronne Ice Shelf Programme; Report No. 5.

Frolich, R.M., **D.R. Mantripp**, D.G. Vaughan and C.S.M. Doake. 1987. Force Balance on Rutford Ice Stream, Antarctica. International Association of Hydrological Sciences Publication 170 (Symposium at Vancouver- The Physical Basis of Ice Sheet Modelling), 323-331.

Vaughan, D.G., C.S.M. Doake and **D.R. Mantripp**. 1988. Topography of an Antarctic Ice Stream. In SPOT 1 Image Utilization, Assessment. Results. Toulouse, CNES Cepadues Editions, 167-174.

Doake, C.S.M., R.M. Frolich, **D.R. Mantripp**, A.M. Smith and D.G. Vaughan. 1987. Glaciological Studies on Rutford Ice Stream. Journal of Geophysical Research 92(B9), 8951-8960.
